Easter Bunny Origami

Step-by-step guide

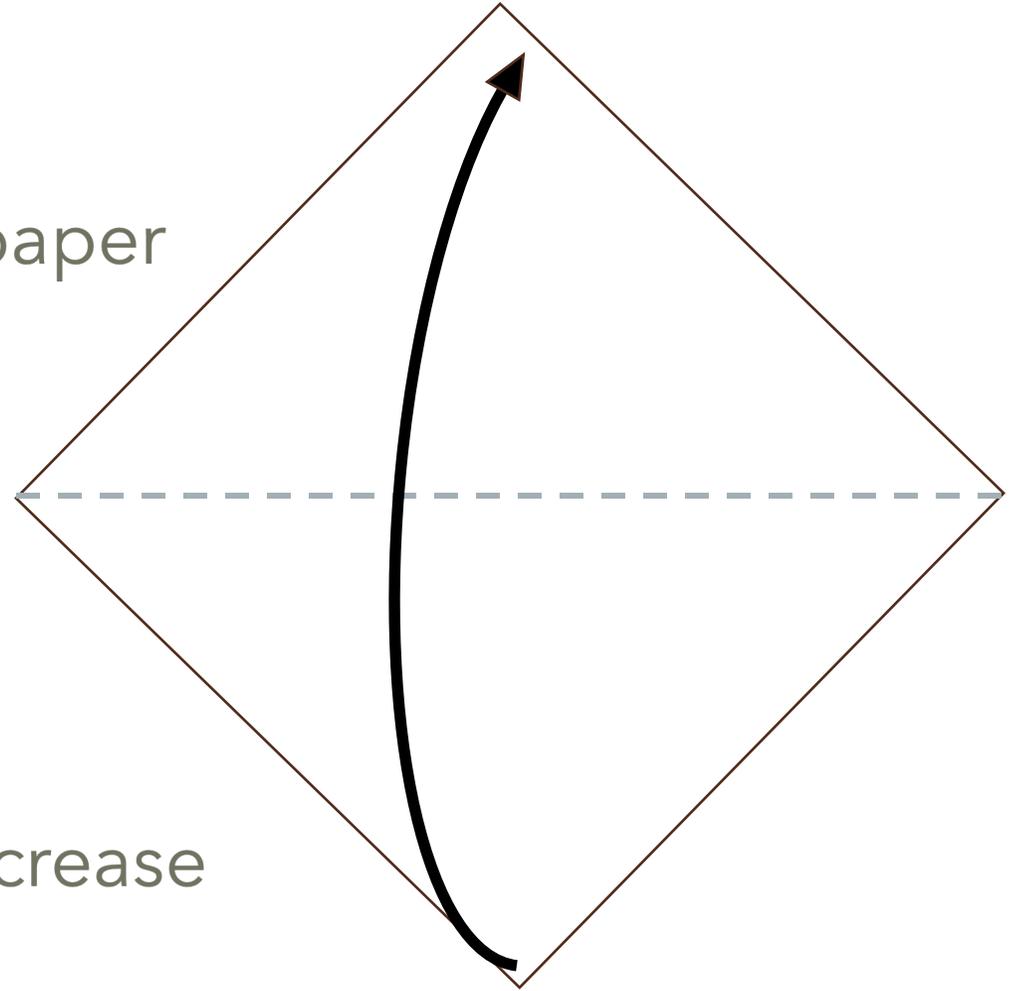

Easter Bunny

Step 1

We start with the back of the paper

Fold square into a triangle

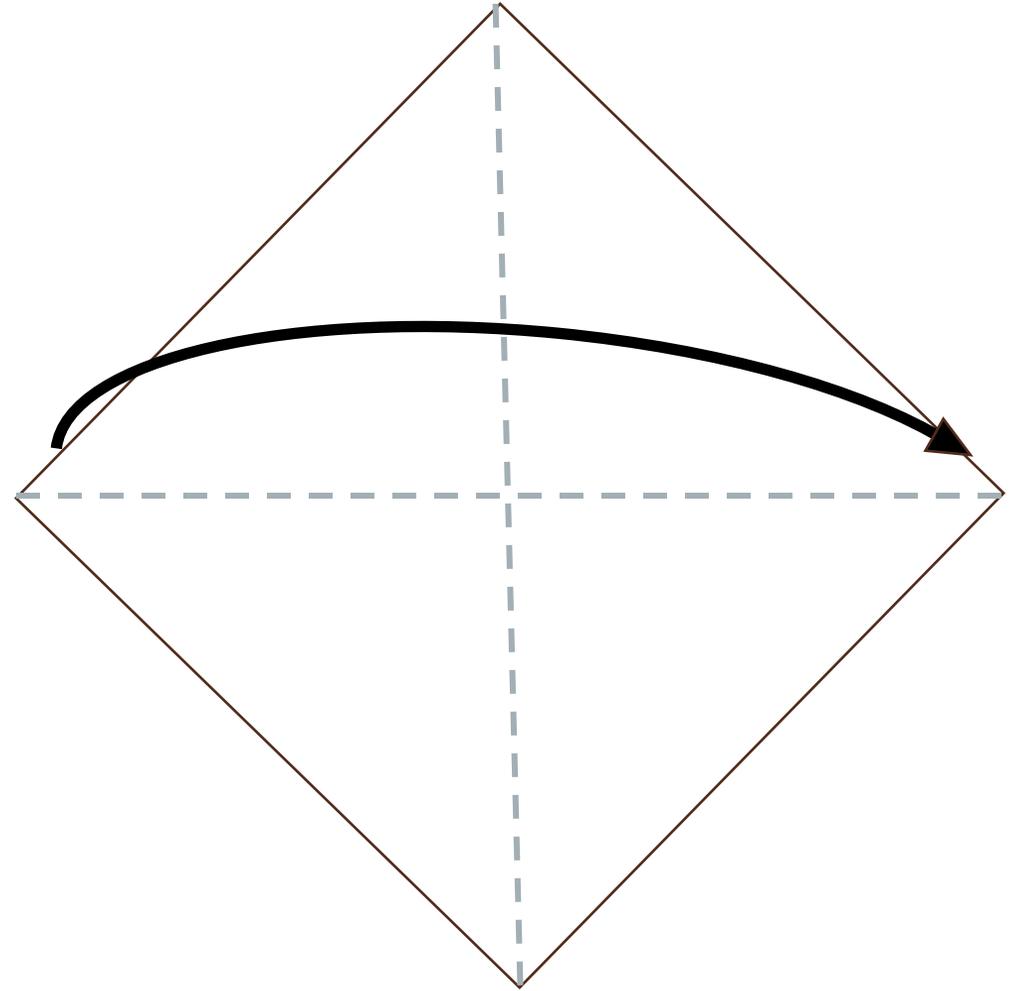

Unfold the triangle to make a crease

Easter Bunny

Step 2

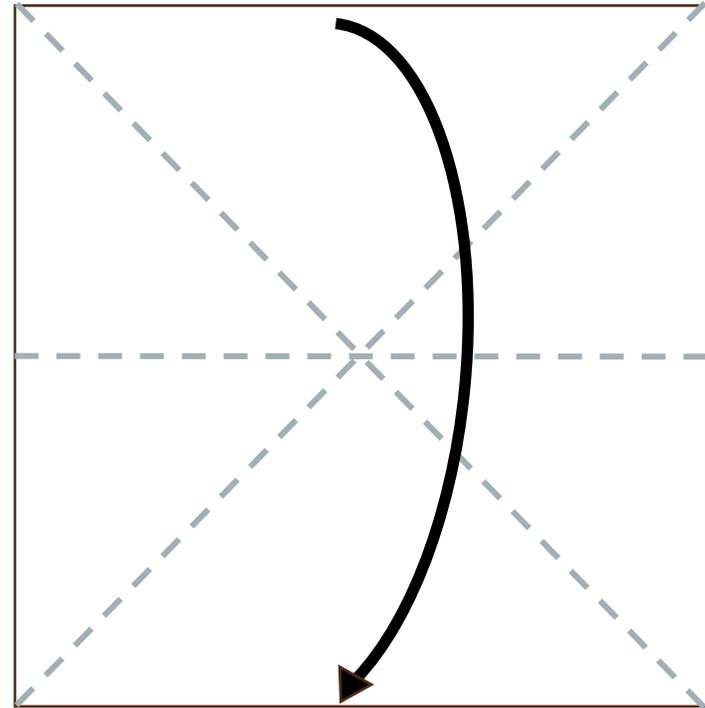

Fold across and then unfold to making another crease

Easter Bunny

Step 3

- Turn the paper over
- Fold the square into a rectangle and then unfold to make a horizontal crease

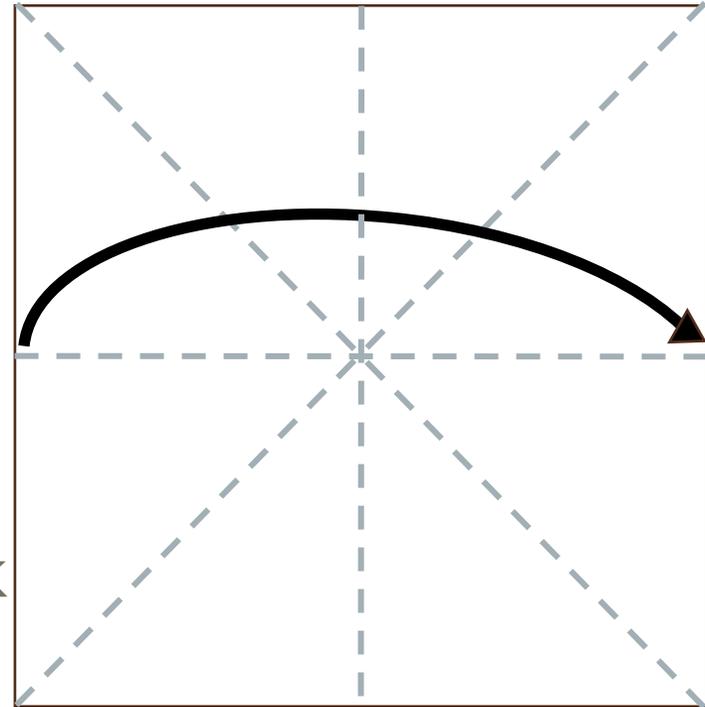

Easter Bunny

Step 4

Fold across to make another Rectangle. Then unfold.

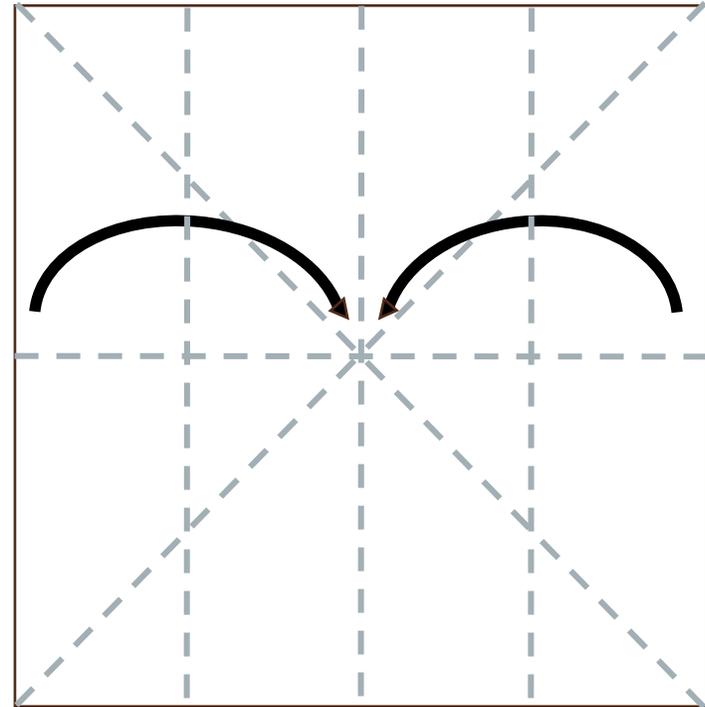

So the creases look like a Union Jack

Easter Bunny

Step 5

Fold the two sides to centre.
Then unfold.

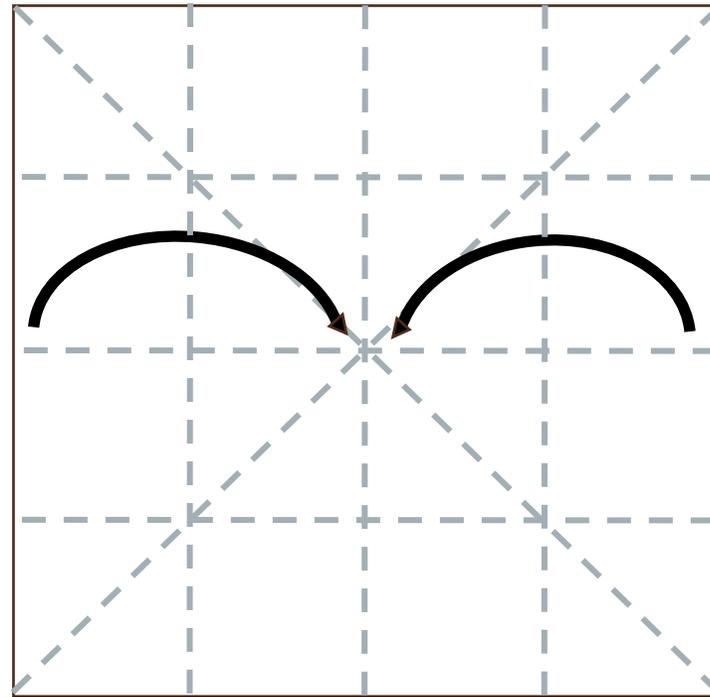

Easter Bunny

Step 6

Turn the paper 90 degrees

Fold the two sides to centre.

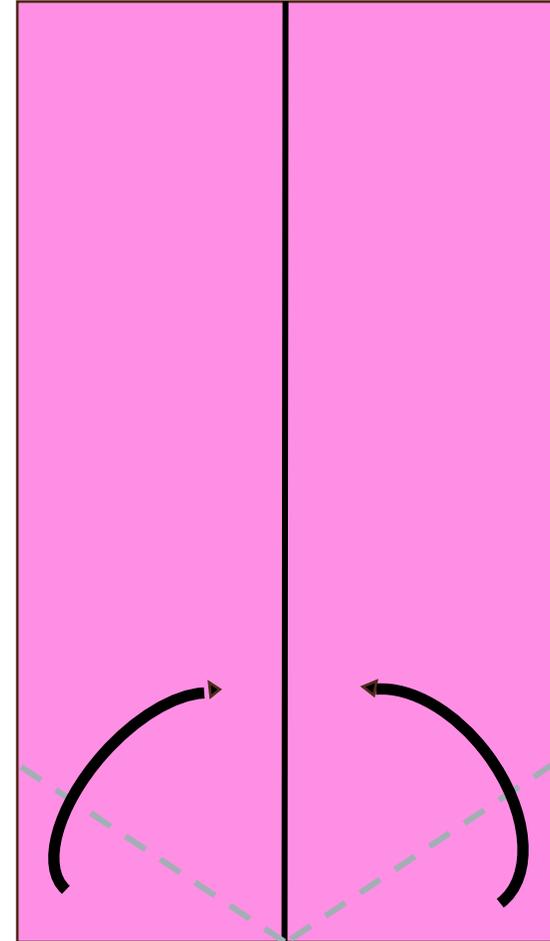

Easter Bunny

Step 7

Fold the bottom corners up to
the centreline

Then unfold

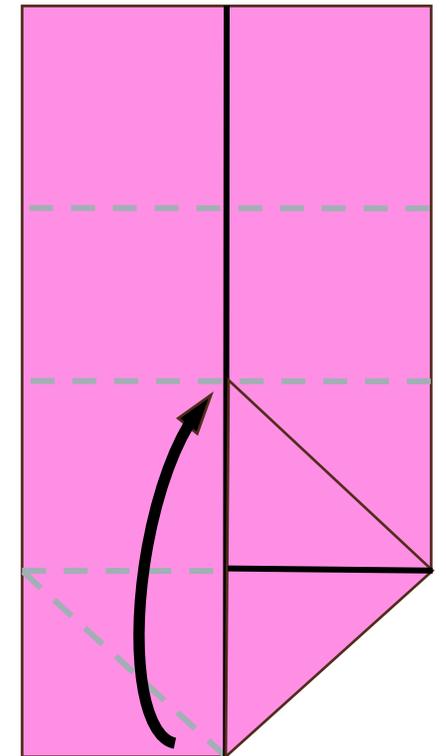

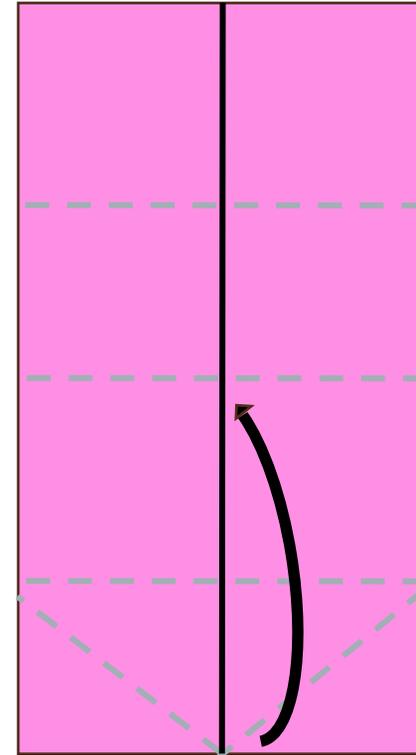

Easter Bunny

Step 8

Fold the Right bottom corner
up to the centre point

Do the same on the other side.

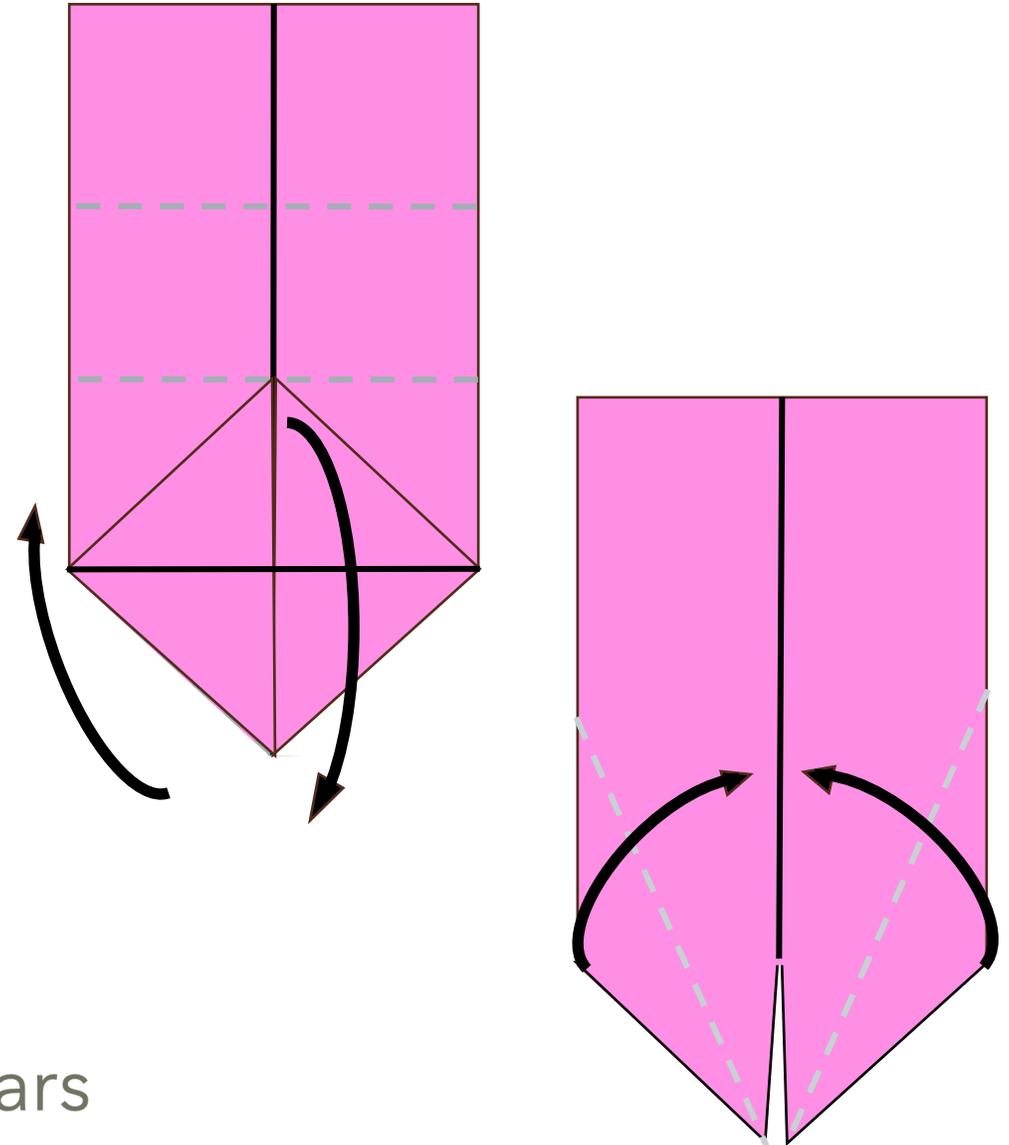

Easter Bunny

Step 9

Flip the small square to the back
So the split side is pointing down

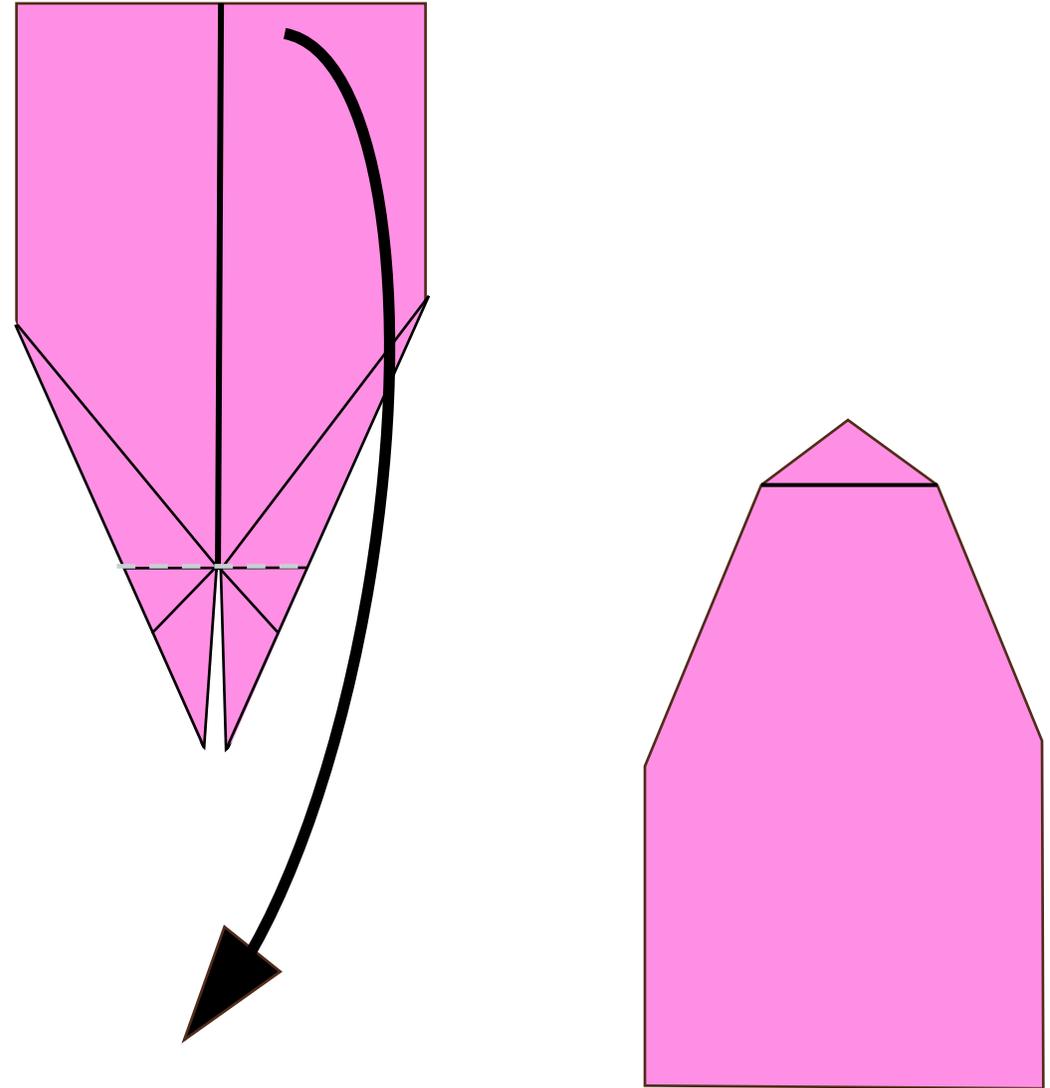

Fold the two corners
toward the centreline to make the ears

Easter Bunny

Step 10

Fold the big top side down to the bottom to show a small triangle on top

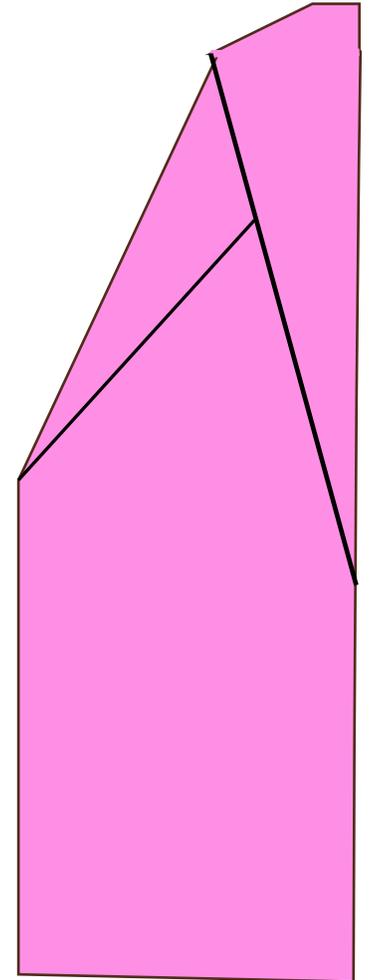

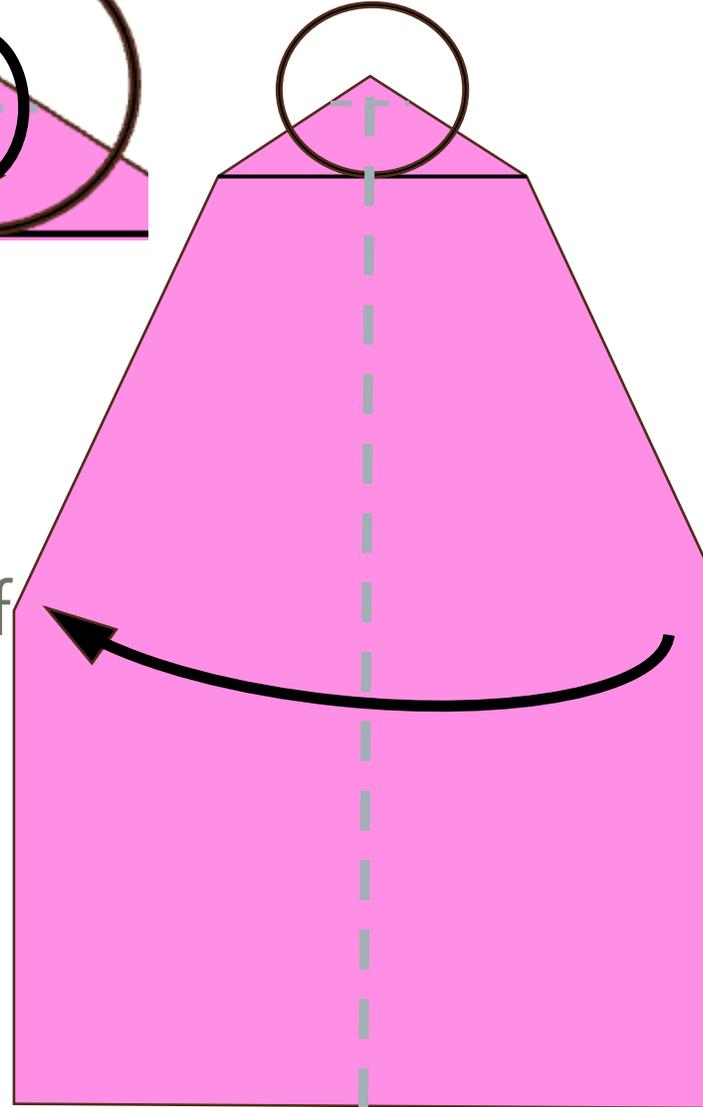

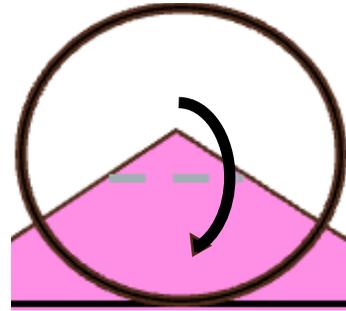

Easter Bunny

Step 11

Fold the top tip down a little

Then fold the whole shape in half
Side to side

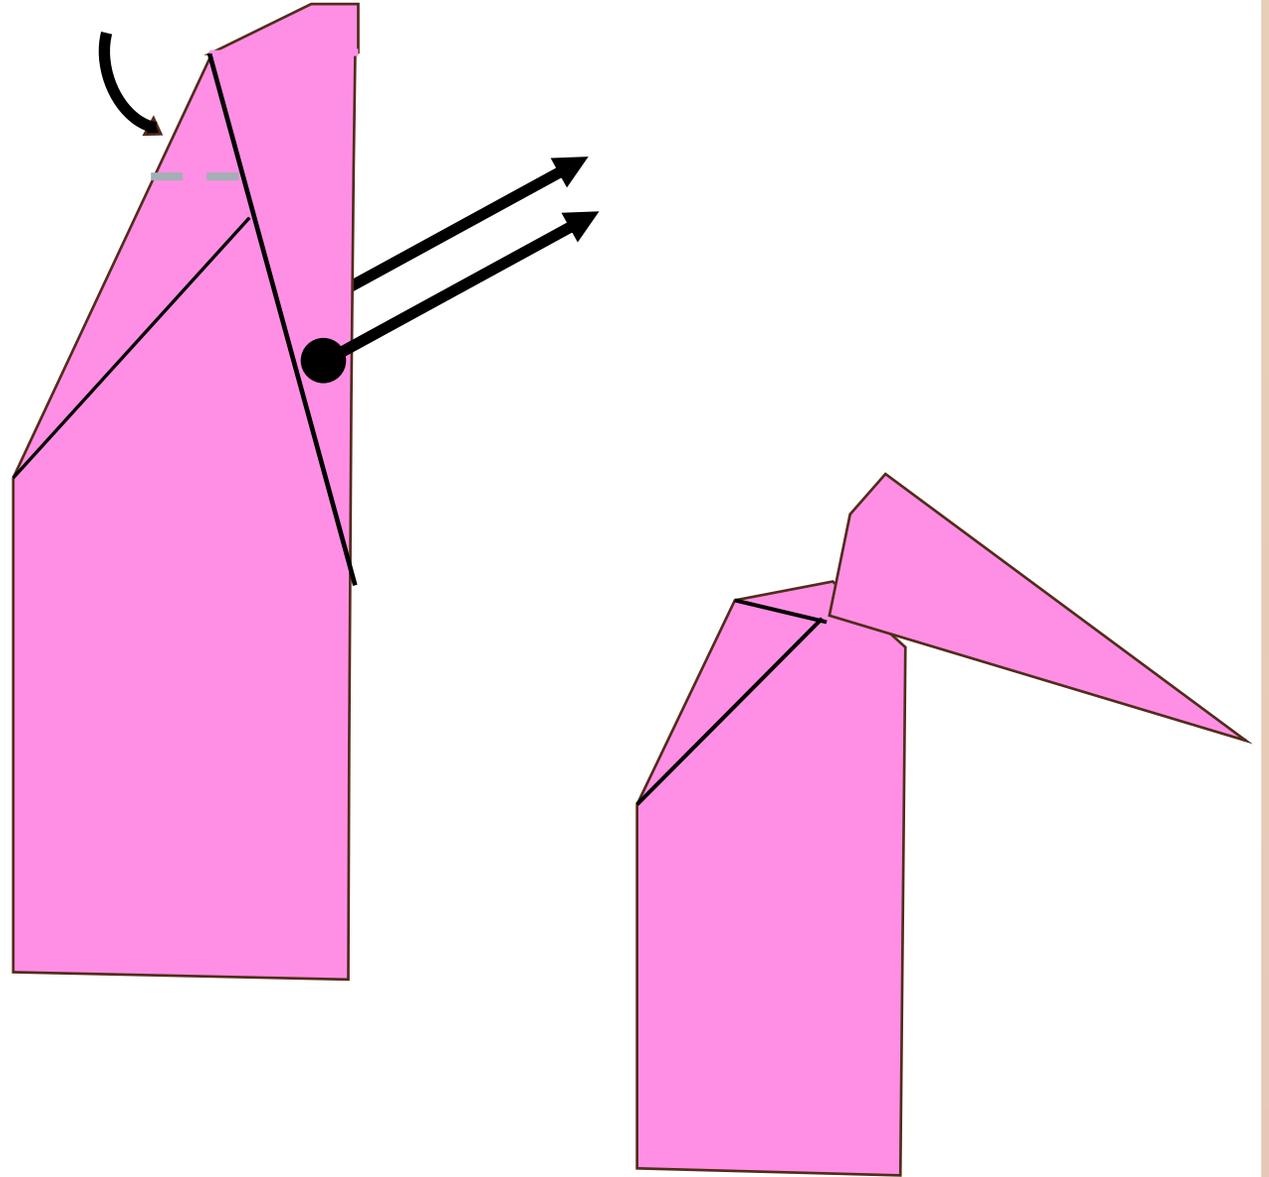

Easter Bunny

Step 12

Pinch the ears and pull

Adjust the head and press flat

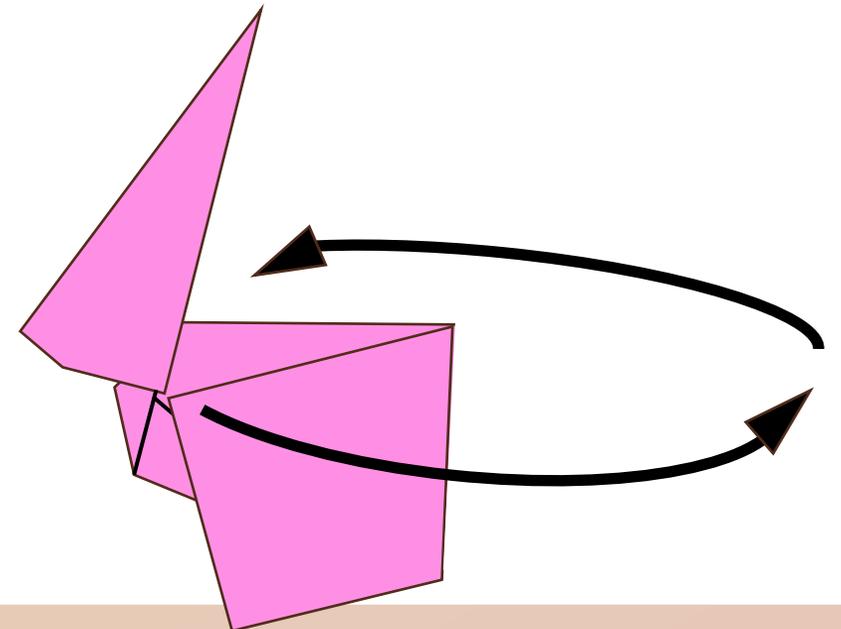

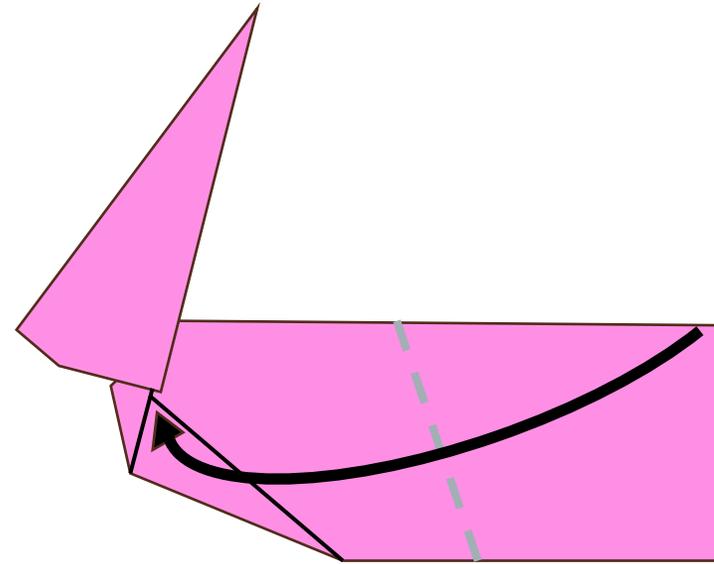

Easter Bunny

Step 13

Turn the bunny sideways

Fold the body in half then
unfold to make a crease

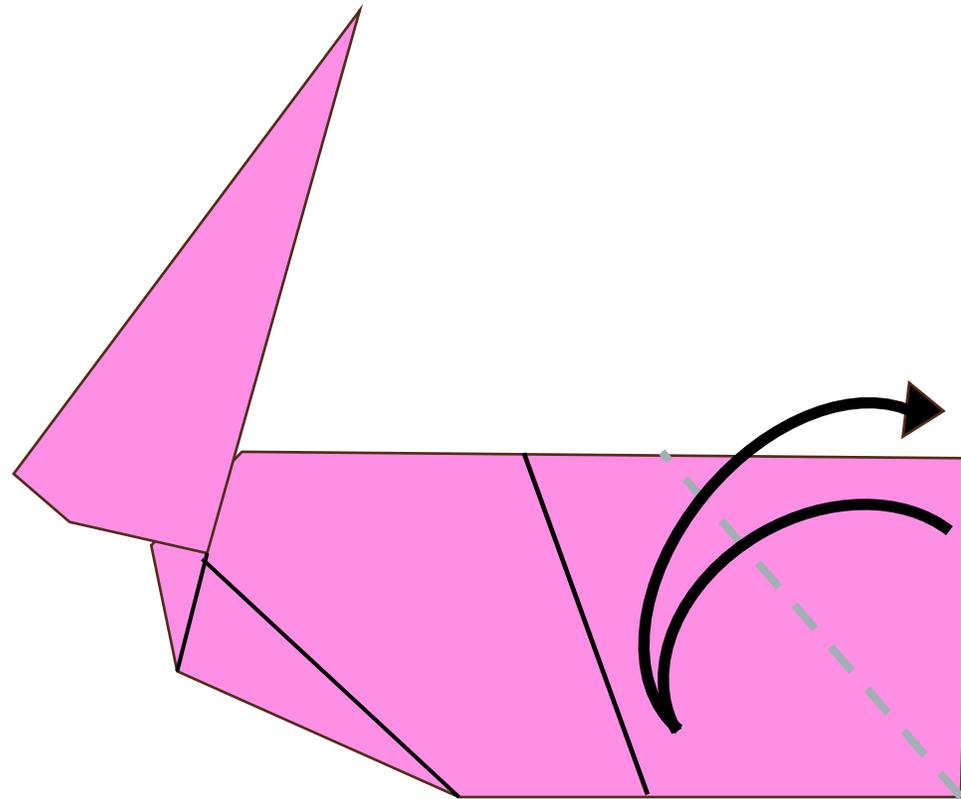

(make the crease for both sides)

Easter Bunny

Step 14

Fold the tail down
then upfold to make
another crease

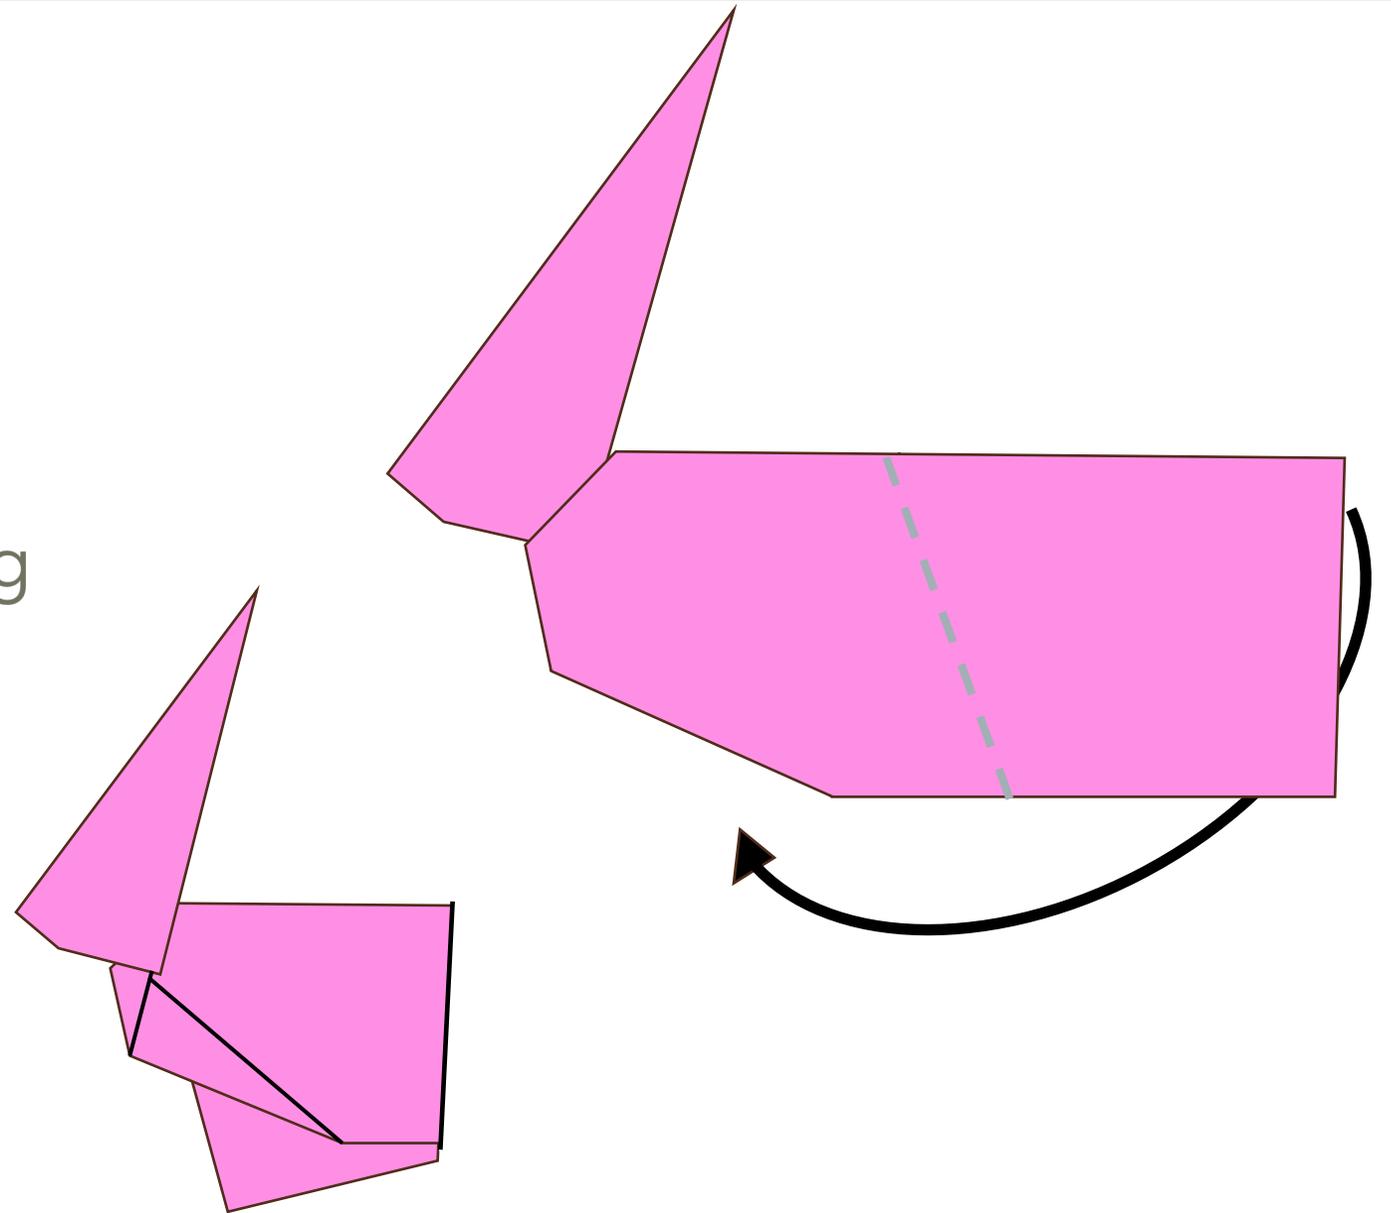

(Make the crease for both sides)

Easter Bunny

Step 15

Tuck the body inward using the first crease

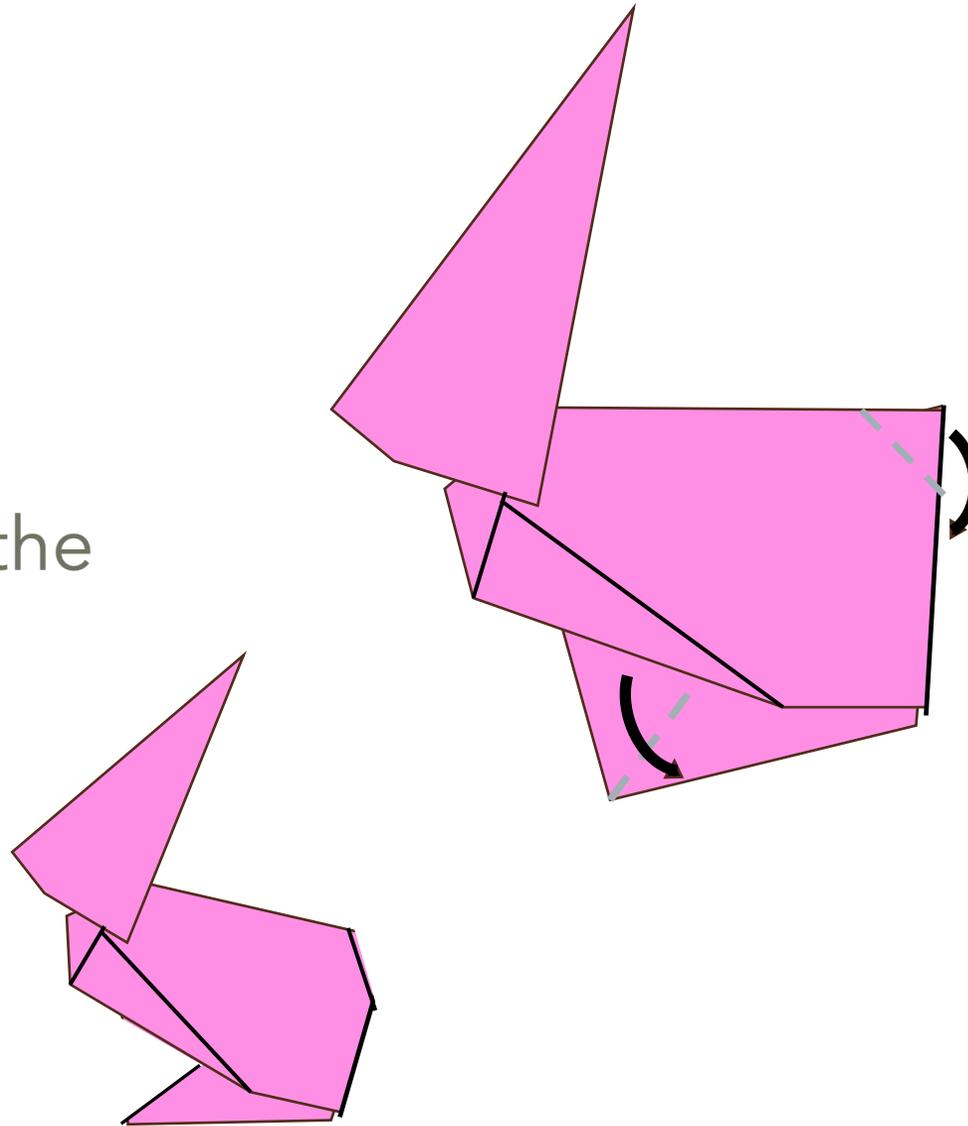

Easter Bunny

Step 16

Tuck the legs inward using the second crease

Also tuck the tail in

Easter Bunny

Step 17

Final step

Open up the ears
