

INTRODUCTION TO ART

Still Life Study with Old Bottles and Art Materials

Friday 10 & 17 June 2022

In this Set of Two Classes:

You will use graphite and/or pastel pencils to create a still life study.

This is a two week class. In the first class you will plan the composition and draw a light sketch in graphite pencils. In the second class you will work in the tones and details and introduce colour if you wish with pastel pencils.

Equipment for This Class:

- Multi-media or sanded pastel paper
- HB Pencil and Eraser
- Putty Eraser
- Blending stumps
- Set of coloured pastel pencils (optional)
